Scottsdale Cares is a program funded by Scottsdale residents for Scottsdale residents. Residents fund the program by making one-dollar monthly contributions through their City utility bill. Scottsdale Cares funds are awarded on a competitive basis to non-profit 501(c) 3 agencies which serve Scottsdale residents.

Scottsdale Cares activities must fall within one or more of the following eligible activities:

- Promote the positive development of youth, adults, and/or seniors
- Strengthen the capability of families and the self-sufficiency of adults
- Assist Scottsdale residents of all ages to address crisis needs

**Activities must meet the following requirements:**

- Grants must support persons in need.
- Agency must clearly identify how the funds will be spent.
- Agency must be able to measure the success and impact of the program.
- Grants must be used within the funding cycle.
- Agency must be in good financial shape.
- Agency may apply for Scottsdale Cares funding for one program only.

Scottsdale Cares prefers to fund a direct service in a specific program rather than fund general support; however, it may fund general support if everything the agency does fits into one of the eligible activities.

**Scottsdale Cares will not fund:**

- Capital expenditures
- Pass-through funding

The Human Services Commission reserves the right to solicit applications for services in specific categories during the application process, but once applications are received, all proposals will be competitively evaluated.

**Applicants are encouraged to contact Justin Boyd, Housing Supervisor in the Community Assistance Office at (480) 312-2479, for further clarification when requirements appear unclear.**
